We can drive you to the property

Next Move Properties was set up with students in mind. Our goal is simple: offer great properties at reasonable prices in the most sought-after student areas.

Our location just across from Jesmond Metro means we are never more than 10 minutes drive from any of the student properties we look after.

We have out-of-hours numbers for any emergency and when viewing our properties you can ask any of our current tenants what our response times are like when dealing with maintenance issues.

It's not just about renting houses – Over the years we have sponsored BARCA-Law NA, a Newcastle University football team formed in 2004, Newcastle Women's Rugby, Hockey and Netball teams. We are also working with Nancy's Bordello and Mr Lynch and the Cycle Centre offering our tenants great deals and promotions.

Why don't you check out what we have to offer? We are open six days a week (seasonal) 9.30am- 6pm on weekdays and 10am-2pm on Saturdays or take a look at our website.
