

*My space*  
*is with a landlord that really*  
*cares about it's tenants.*

**We own all our student accommodation, we are not a letting agent, we really look after our properties and we will really look after you.**  
We've been doing so in Newcastle since 1990.

We have a fantastic selection of 3-9 bedroom properties in **Jesmond and Heaton**, all well within easy walking distance of both Universities.  
**Find out why we are the most recommended student letting specialist in the city, at [www.findspace.co.uk](http://www.findspace.co.uk)**
