

HYDE PARK 6-9 BEDS

Unipol Golden Owner

Specially selected, privately owned and
caringly managed student houses in central Hyde Park.

**I'm a former Leeds student, with 15 years' experience of letting to students.
I do my best to give you the service I wanted when I was a tenant!**

- All rooms lovely sizes - huge living rooms, kitchens and all double bedrooms
- Tasteful, high-quality furniture and neutral decoration throughout means you can make the house your home
- 2/3 bathrooms in each house (most with easy-clean, walk-in showers)
- I manage maintenance personally using group e-mails or texts to ensure prompt service and only use trusted and reliable maintenance staff
- The gardens are also regularly maintained by my own gardener
- Houses have separate laundries - to keep kitchens & bedrooms clear of washing
- Top spec fire and burglar alarms in all houses for maximum security
